THE TAPE WORM!

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestiners and Stomach effecting the health so sadly as to cause St. Vitos Dance, Fits, &c., that those afflicted seldem it ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may not direct upon the Worm, which must be taken in duses of 2 Tablespesinfulls 3 times a day those directions followed have never been known to fail in curing the most obstimate case of Tape Worm.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the though or giving the proper secretion to the bile; so that any wrong netion of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jamelice, Dyspepsin, &c.
